～Notice of the Start of Operations for the Attraction “GRAVITY DROP”～

Thank you for visiting JUNGLIA OKINAWA.

Regarding the attraction “Gravity Drop,” we have continued facility inspections and operational verifications with the highest priority placed on guest safety. We are pleased to announce that preparations are now complete, and operations will begin on **Saturday, January 24**.

This attraction is a **paid attraction**. To experience it, a valid park admission ticket **and** a paid **Premium Pass [Gravity Drop]** are required. The applicable Premium Pass will go on sale at a later date.

※**Warning:** This attraction involves an extremely thrilling experience in which guests fall backward from a great height. Guests who feel even slightly uneasy are advised to refrain from participating.

Due to the nature of this experience and for safety reasons, stricter usage requirements regarding height, weight, age, etc. apply compared to other attractions. Before purchasing a Premium Pass, please be sure to review the latest usage requirements on the detail page below.

We will continue to make every effort to provide a safe and exciting experience for all guests.

The NAVIGATOR team sincerely looks forward to welcoming you.
