～Update on Reservation Policy for PANORAMA DINING～

Thank you for visiting JUNGLIA OKINAWA.

We are pleased to announce an update to the reservation policy for our restaurant, PANORAMA DINING, based on valuable feedback from our guests. Until now, advance reservations were available only for dinner (from 5:00 PM onward). Beginning with visits on or after March 1, 2026, reservations will be accepted for all operating hours, including both lunch and dinner, making it easier for you to plan your visit.

Reservations can be made up to one month in advance. Please note that reservations are for seating only, and menu items can be selected on the day of your visit.

Starting March 1, the restaurant will offer an à la carte menu throughout the day. The current dinner course menu will be available through the end of February 2026 and will be discontinued thereafter.

Please note that specific seating types cannot be selected in advance. Seating preferences may be accommodated on the day of your visit, subject to availability. Guests choosing a Nest Seat (additional charge) will be asked to pay the seat fee at checkout. Depending on the situation on the day, there may be a waiting time.

We kindly ask that you review these changes before making your reservation.

We look forward to welcoming you.
